The District Forest Officer, Shimoga, reports in his letter No.2200 dated 28-1-1957, that the land in question (15 acres in S.No.10 of Halasavala Minor Forest) is adjacent to the areas already under cultivation and that the release of the said land does not affect the surrounding forest, as regards its maintenance and exploitation. There is, therefore no objection to the release of the area to the Revenue Department, for being given out for cultivation.

e a d:-

Letter No.Ms.21-173/55 dated 27.1.1956 from the Chief nservator of Forests in Mysore recommending release of certain est lands in the Malnad region for being surrendered to the venue Department for being granted for cultivation.

Letter No.C3.280/55-56 dated 10.2.1956 from the Revenue mmissioner agreeing with the recommendation of the Chief nservator of Forests and requesting orders of Government for e release of the forest lands.

...--:oOo:--...

R D E R No. A.F. 7927-31/Ft. 1-56-7,

Bangalore, Dated the 19th October 1956.

There have been repeated representations from the ndless for making available for cultivation lands from the rests in the State. Government having taken into account the creasing pressure on land as also as a measure of alleviating employment and to step up food production, directed the Deputy mmissioners, Shimoga, Hassan, Mysore and Chickmagalur Districts examine the question of release of forest lands in Malnad gion of the State in consultation with the District Forest ficers of the respective Districts and send up their proposals the Revenue Commissioner. Accordingly the concerned Deputy mmissioners and the District Forest Officers having inspected me of the forest areas sent up proposals to the Revenue mmissioner who in turn, after consultation with the Chief nservator of Forests has requested orders of Government for the ease of the forest lands as per statement appended.

Having carefully considered the joint recommendation of the Revenue Commissioner and the Chief Conservator of Forests, Government are pleased to accord sanction to the release of 4126 acres and 29 guntas of land from the Forest Department as per statement enclosed.

The Chief Conservator of Forests is requested to take necessary action to surrender the lands to Revenue Department and send up disafforestation notification for orders.

Sir,

Sub: Release of land in S.No. 10 of Minor Forest, Thirthahalli Taluk.

Your memo Nos A.F. 7664 dated 29-11-54
8275 dated 23-12-54 and 8498 dated 30-12-54.

In reply to the above I write to state that it has been reported by the Conservator of Forests, Shimoga Circle that the area applied for is included in Halasaval Minor Forest. As Minor Forests are constituted to be eventually converted as State Forests, he is not in favour of releasing any area for cultivation. I agree with him.

The three petitions accompany.

Yours faithfully,

M. A. Muthanna

RE:- Release of land in S.No.10 of Halasavala Minor Forest Thirthahalli Taluk.

Ref. Your letter No.A.F.1216 dated 16-5-1955.

GENERAL REVENUE SECTION
14 OCT 1955
A. & F. DEPTT.

In retransmitting herewith the three petitions of Sris Ramanna Setty, B.M.Puttappa Gowda, and Herman, I enclose herewith a copy of each of the marginally noted references for favour of perusal.

1. Conservator of Forests' Shimoga Circle, letter No.M.172-857/53-54 dated 25-8-1955.
2. Shimoga District Forest Officer's letter No. 716 dated 30-7-1955.

As reported by the Conservator of Forests, Shimoga Circle, an extent of 15 acres of the land in S.No.10 of the Minor Forest - please vide marked portion in the enclosed sketch- is found to be water logged containing sparse growth of fuel species. There is also repeated requests for grant of land in this area, and the Conservator of Forests, Shimoga Circle, is therefore of opinion, that this area of 15 acres out of S.No.10 of the Minor Forest may be released for cultivation and granted to the parties who have lost their land by submersion under the Thunga Project. It is also suggested by him, that in order to prevent encroachment, and enforce efficient management of the forests, the area released may continue to be treated as part of the reserve, the land revenue being payable to the Forest Department.

I agree with the opinion and suggestions of the Conservator of Forests, Shimoga Circle in the matter.

RE:- Release of land in S.No.10 of Halsavala Minor Forest, Thirthahalli Taluk.

-

Ref. Your memo No.M2.65-659/54 dated 25-5-1955.

-

I forward herewith a copy of Shimoga District Forest Officer's letter No.716 dated 30-7-1955 together with its enclosures for kind perusal. In view of the directive contained in letter No.A.F.1222-23 dated 16-5-1955 of the Secretary to the Government of Mysore, Home, Forest and Agricultural Departments, Bangalore, addressed to you, the area in question was inspected by the District Forest Officer. The Darkhastdars viz., Sriyuths B.M.Puttappa Gowda, Herman and Ramanna Setty have been frequently applying for grant of lands in this area, which is included in Halsavala Minor forest. There is a small stream as could be seen from the sketch and an estimated extent of about 15 acres, is found to be water-logged area, containing sparse growth of fuel species. Except this portion of S.No.10, the rest of the area contains good forest growth.

In view of the Government directive referred to supra and also in view of the repeated applications being received from the public for release of this land for cultivation, 15 acres of land out of S.No.10 of Halsavala may be released for cultivation and granted to the two parties who have lost their land by submersion under the Tunga Project.

The sketchof Halsavala Minor forest also is enclosed herewith.

I may suggest~~ion~~ in this connection, that in order to prevent encroachment and for efficient management of the forest, the area released may continue to be treated as part of the reserve, just as similar lands are being treated in Mysore District, the land revenue being payable by the grantee to the Forest Department. As several similar forest areas are likely

p.t.o.

to be released hereafter, the principle of grant of forest] without disreservation may have to be considered hereafter.

Letter No.716 dated 30-7-1955 from the District Forest Officer, Shimoga, to the Conservator of Forests, Shimoga.

RE:- Release of lands in S.No.10 of Halasavala village in Thirthahalli Taluk coming under Halasavala Minor Forest.

-

With reference to your memo No.M.172-857/54-55 dated the 21st May 1955, on the above subject, I submit herewith a copy of Thirthahalli Range Forest Officer's report No.89 dated the 4th instant, along with the 3 petitions, sketch of minor forest of Halasavala and a copy of Minor Forest Notification and write to state that I have inspected the area of S.No.10 of Halasavala village on 22-7-1955.

Out of the three applicants for grant of land in this S.No.Viz., Sriyuts B.M Puttappa Gowda, Herman and Ramanna setty, first two persons only were present at the time of my inspection. Both the applicants showed one and the same area.

This area contains sparse growth of matti,nerlu,mavu and other fuel species with a rich soil and cut up with small streams and is fit for wet cultivation. The extent of the area contains sparse growth is about 15 acres and adjoins the wet lands of Sri Raghavachar towards east and wet lands of Sri Sindhavadi Dharma Gowda towards the west.

This portion being fit for cultivation, applications were received for grant frequently, but were rejected as the whole S.No.10 of Halasavala village measuring 57 acres and 28 guntas comes under Halasavala Minor Forest.

Since applications are being received for grantof land in S.No.10 frequently, it is for the Government to decide whether small extent of 15 acres,with sparse growth may be given out. Then the Revenue Department will have to take further action to build up the records after getting the area marked on the ground in consultation with the Forest Department.

I request the favour of your kind orders inthe matter.

The remaining portion of the S.No.10 contains very thick forest growth and as such no further grants of lands may be entertained in this portion.
